

Financial Aid & Scholarships

Financial Aid

AUK's mission is to offer a great education to the youth of Kosovo regardless their financial background. To fulfill this mission, AUK has continuously offered financial assistance to students in need. Financial Aid is offered based on need and based on merit. Students who claim to have financial difficulties need to fill out an application and submit it to AUK for evaluation.

Scholarships

AUK's mission is to offer a great education to the best and the brightest students in Kosovo and it goes a long to make that possible. In order to attract those students, and also make possible the education those who cannot afford it, AUK through its fundraising activities both, in Kosovo and in the United States, has a great scholarship fund. The amount of scholarships offered to students for the school year 09-10 was around 350.000 EUROS.

All the scholarships are awarded based on merit. Students who apply to AUK are eligible for scholarships based on the results of their entrance exam. Scholarships for existing students are awarded based on their GPA.
